

# CLASSIFICATION ADDENDUM

## **Job Title:** Museum Curator

Classification Specification: Management Analyst

Barg Unit: OPE

Pay Grade: C41-C43

*This classification **addendum** further clarifies job specific duties and requirements of a job within a particular classification. Note: The classification specification document is to be referenced and this document utilized as the addendum (supplement). It is intended to provide additional information, where needed, and is not intended to provide an exhaustive list of duties and responsibilities; specific position assignments will vary depending on business needs.*

### **Essential Characteristics and Duties Addendum**

Under the direction of the Library Manager, this position performs professional museum services for the Springfield Museum. Position involves performing multiple tasks, working to meet deadlines, frequent work beyond normal business hours, including working evening/weekend hours and special events, and responding to customer issues. Oversees day-to-day operations of the museum including monitoring facility for cleanliness and safety, scheduling and leading volunteers, and community relations. Responsible for collection management and curation of exhibits including cataloguing archival collection; cleaning displays, labeling objects, photographing and documenting items; researching, developing, building and installation of exhibits; and identification and designation of donated items. This position will work closely with staff, advisory boards, and external contacts to coordinate exhibits, fundraising events, content for marketing and communicating with donors, and to provide regular feedback, metrics, and performance measures to ensure appropriate oversight and consideration of all initiatives and directives. Performs related duties as assigned.

### **Qualifications Addendum**

*An entry-level person would be expected to possess the following or any equivalent combination of knowledge, skills, education and experience in order to successfully perform the job.*

#### **Training & Experience:**

- In the field of Museum Studies, Art History, Anthropology, or a related field that includes professional level museum experience. A Master's level degree is not required, but may be required if candidates do not have minimum journey level experience.

#### **Licensing Requirements:**

- A valid Oregon driver's license at time of appointment.

#### **Knowledge:**

- Principles and practices of professional museum work;
- Basic conservation and storage techniques;
- Public relations principles;
- Facility maintenance principles and practices;
- Cataloging, classifying and processing museum materials including donated items;
- Ethical codes and accountability standards to ensure good stewardship of assets held in the public trust and to maintain public confidence.

#### **Skills:** *(Demonstrated skill in performing the following)*

- Proficiency with PastPerfect software;
- Developing promotional materials;

### Essential Characteristics and Duties Addendum

- Coordinating and scheduling special events;
- Writing and administration of grants;
- Curating rotating exhibits.

#### Qualification For Grade Progression:

C41 - Contributing

C42 - Journey

C43 - Advanced/Lead Level

### Physical Requirements Addendum

Sedentary Work as defined in the classification specification and medium work defined as exerting up to 50 pounds of force occasionally, and/or up to 20 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects. This may include frequent or prolonged periods of standing, sitting, bending, stooping, reaching; use of step stools, ladders, hand and power tools; working at varied heights, pushing and pulling crates, carrying materials, supplies, art work, and artifacts weighing up to fifty (50) pounds in setting up and tearing down exhibits and preparing items for storage and shipping. Frequent exposure to disagreeable chemicals and fumes common to preparation and maintenance of exhibits and displays. Frequent use of a personal computer.

# MANAGEMENT ANALYST

## Classification Specification

### City of Springfield, Oregon

*A classification specification defines the general character and scope of responsibilities of all positions within a job classification. This description does not list every duty for a given position; specific position assignments will vary depending on business needs.*

General Information	
<b>Classification Title</b>	Management Analyst
<b>Classification Code:</b>	MGTANL
<b>Effective Date:</b>	7/1/2011
<b>Pay Grade:</b>	C41-C43
<b>FLSA Status:</b>	Exempt

### Classification Summary

The Management Analyst is a broad professional classification that encompasses incumbents engaged in a wide range of analytical, research, budget management, and program management activities. Responsibilities may vary in accordance with assigned area of responsibility, but will generally include; researching and analyzing management support issues and trends and developing analytical models; making policy recommendations related to budget and financial matters; maintaining related systems and reporting; managing grant-funded programs including all necessary reporting requirements and planning & implementing public information & education programs.

Following are descriptions of the competency levels:

**Contributing** –Knows fundamental concepts, practices and procedures of assigned field; work is generally routine and instructions are generally detailed; little evaluation, originality or ingenuity is required.

**Journey Level** –Knows and applies fundamental concepts, practices and procedures of a particular field of specialization; performs work that is varied and may be somewhat difficult in nature; moderate levels of evaluation, originality or ingenuity is required.

**Advanced Level** –Possesses and applies a broad knowledge of principles, practices and procedures of a particular field to the completion of difficult assignments; assignments are broad in nature, generally requiring a high level of ingenuity and originality; has appreciable latitude for un-reviewed actions and/or decisions. May have lead or supervisory responsibility.

### Distinguishing Characteristics

- Management Analysts make process decisions and decide how to best achieve the objectives, standards or guidelines established at higher levels.
- May include supervision of lower level support staff or lead responsibilities.

<b>Essential Duties</b>	
<i>The duties listed below are a typical sample; position assignments may vary.</i>	
1	Performs project and policy analysis, which includes: conducting research; determining and raising pertinent issues; summarizing findings; presenting results; making recommendations.
2	Manages special studies and projects, which includes: publicizing projects; monitoring budget; establishing and monitoring timelines; ensuring compliance with applicable regulations, specifications, and/or requirements; preparing related reports; and performing other related duties.
3	Maintains necessary records; reporting requirements; and/or systems relevant assigned area of responsibility.
4	Prepares a variety of reports summarizing project, study, and program data; analyzes related data and makes recommendations based on findings.
5	Assists in developing and maintaining strategic planning processes aligned with organizational goals and initiatives; coordinates departmental efforts related to assigned area of responsibility.
6	Plans and implements public information and/or education programs.
7	Ensures compliance with applicable Federal, State, and Local laws, rules, regulations, and policies.
8	May supervise or provide lead to lower level support staff.
9	Actively supports an inclusive and respectful work environment.
10	Performs other duties of a similar nature or level.
